

Freestanding Quad Door Refrigerator Freezer, 90.5cm, 538L, Ice & Water

Series 7 | Contemporary

Stainless Steel | French hinge

Featuring three separate compartments, including an independent Variable Temperature Zone, for unbelievably flexible storage.

- ActiveSmart™ technology helps keep food fresher for longer by constantly maintaining the ideal temperature.
- Variable Temperature Zone lets you change a compartment to Fridge, Chill, Soft Freeze or Freezer for optimal storage
- Spacious bottom freezer with easy-slide internal drawers to separate storage

- Door water dispenser and internal ice maker

DIMENSIONS

Height	1790 mm
Width	905 mm
Depth	688 mm

FEATURES & BENEFITS

ActiveSmart™ Foodcare

ActiveSmart™ Foodcare learns how you live. It is technology which understands how you use your refrigerator and adjusts temperature, airflow and humidity inside to help keep food fresher for longer.

Thoughtful design

Perfectly flat doors for a less intrusive fit in the kitchen, spill-proof glass shelving and beautiful lighting for great visibility inside.

Easy one-touch control panel

Situated conveniently, the control panel for the refrigerator, freezer and Variable Temperature Zone compartments allows you to view and modify the features and options to suit any occasion.

Flexible storage and access

Large compartments, adjustable internal storage and shelving are designed for your constantly changing needs.

Slimline water dispenser

Easily fill any size jug or vessel with cool, filtered water. Fresh ice is always available in a dedicated freezer bin.

Design quality

Our refrigerators are designed and built using quality materials. We use real stainless steel and solid glass for the interior shelving.
