Depth	480 mm

FEATURES & BENEFITS

Sized to suit
This 60cm Built-in Coffee Maker is perfect for the compact kitchen and can be placed virtually anywhere. Companion products share standard dimensions and can be installed in multiple configurations to suit your kitchen design and preference.

Coffee choice
Your Coffee Maker has 13 different choices to suit your taste and selection - from Espresso to Latte.

Barista-style coffee
The conical burr grinder delivers a consistent grind for the

perfect coffee. Set it to suit your preference.

Self-cleaning
The Coffee Maker has a self-cleaning function and comes with a removable drip tray and a waste container for used coffee grounds.

Personalise your cup
Program your Coffee Maker to start up at the same time every day and make your favourite coffee.

Beauty of choice
With the choice of a stylish stainless steel or elegant black trim, our Companion products help you achieve a coherent kitchen aesthetic that suits your design style.
