

Gas on Glass Hob, 90cm, LPG

Series 9 | Minimal

Black Glass | LPG

A powerful five burner with precision control and performance. Pair with any other appliance in our Minimal range.

- Large cooking area with five burners, including a wok burner and two semi rapid burners
- A timeless, minimal look to fit any kitchen style, with black ceramic glass cooking zones and a black trim
- A flame-failure safety device; if the flame goes out, the gas turns off
- Removable cast iron trivets and ceramic glass that can be wiped down for easy cleaning

DIMENSIONS

Height	58 mm
Width	900 mm
Depth	530 mm

FEATURES & BENEFITS

Complementary design

<>

Precise control

The consistent flame and heat distribution of the dual flame wok burner combined with the highly responsive dials offer precise heat adjustment that can perfect a slow simmer for sauces or an intense heat for searing steaks.

Easy cleaning

Cleaning and care of these hobs is easy with sealed burners and a single sheet cooking surface. After each use, simply remove the trivets and wipe down the glass.

Quality materials

With cast iron trivets, anodized metal dials and tough ceramic glass that can withstand high temperatures, we use only the highest quality materials for optimal performance.

Safe & sound

The flame failure safety device automatically turns off the gas if the flame is accidentally extinguished.

Quality materials

Our hobs are built from recyclable, eco-friendly ceramic glass – without using arsenic or heavy metals in the manufacturing process. The glass edges are chip-tested for resistance to damage from pots and pans, ensuring lasting quality.

SPECIFICATIONS

Accessories
